

# Introducing the New **Kwik-Clip™**

## Features

- Available for tubing O.D. ranges of  $\frac{3}{8}$ " to  $2\frac{1}{8}$ ".
- One piece design greatly reduces installation time.
- No tools required to install.
- Non-metallic design eliminates metal-to-metal contact; preventing galvanic corrosion.
- Easily snaps into channel or onto  $\frac{3}{8}$ " all thread rod.
- Meets UL2043 requirements for plenum rating; and UL94 HB flame rating.
- Working temperature range of  $-40^{\circ}\text{F}$  to  $+275^{\circ}\text{F}$ .
- BPIC and BPSC clips can be used with insulation, maintaining an unbroken barrier seal and eliminating sweating.
- BPRC rod clip can be snapped onto  $\frac{3}{8}$ " all thread rod at any location.
